Subject to the terms and conditions of this Agreement, Pervasive grants to You a nonexclusive, nontransferable, nonsublicensable and revocable right to (i) use the Server Software on no more than three (3) Network Servers; (ii) activate the Server Software no more than three (3) times; (iii) use the Documentation in connection with Your use of the Software; and (iv) with respect to a Concurrent User License, permit a total number of Concurrent Users per Network Server that is not greater than the User Count to simultaneously access and use the Server Software; v) with respect to an Intranet License, have an unlimited User Count, and otherwise subject to the same terms and conditions as a Concurrent User License; and (vi) with respect to an Internet License, have an unlimited User Count and the right to use the Software in a “software as a service” or application service provider environment.

**2.2 Multiplexing.** With respect to a Concurrent User License (but not applicable to an Internet or Intranet License), hardware or software You use to pool connections, reroute information, and reduce the number of Terminals, Network Servers or users that directly access or use the Software, or reduce the number of Terminals, Network Servers or users the Software directly manages (sometimes referred to as “multiplexing” or “pooling”), does not reduce the User Count that You need; the required User Count equals the number of distinct inputs to the multiplexing or pooling software or hardware “front end.”

**2.3 Use of Trial Software.** Trial Software is licensed for the purpose of evaluation, testing and benchmark runs of the Software only. In no event shall You use the Trial Software for development, production or commercial purposes.

**2.4 Pre-Release Software.** Notwithstanding anything to the contrary in this Agreement, if the Software provided to You under this Agreement is pre-release or beta Software, then You may not distribute or deploy such pre-release or beta Software outside Your testing environment. Neither Pervasive nor its suppliers will be liable for any damages whatsoever relating to Your use of such pre-release or beta Software.

**2.5 Open Source Software.** The Software includes third party open source code software (“Open Source Software”). Any Open Source Software provided hereunder is provided pursuant to such Open Source Software license terms and conditions. Upon reasonable notice to You, Pervasive has the right to replace software provided to You as part of Open Source Software with software that has similar functionality. The license terms associated with Open Source Software require that Pervasive provide copyright and license information to You. A list of the Open Source Software included in the Software and available to You from Pervasive, the applicable license terms, and how to obtain the Open Source Software (if not already provided to You as part of the Software) are provided in Section 13. Any provisions in this Agreement which differ from any Open Source Software license are offered by Pervasive alone and not by any other party. ALL OPEN SOURCE SOFTWARE IS PROVIDED ON AN “AS IS” BASIS, AND PERVASIVE DISCLAIMS ALL WARRANTIES WITH REGARD TO OPEN SOURCE SOFTWARE, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY,

TITLE, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL PERVASIVE OR ITS LICENSORS BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR SPECIAL DAMAGES OR ANY OTHER DAMAGES WHATSOEVER, WHETHER IN AN ACTION OF CONTRACT, NEGLIGENCE, OR OTHER TORTIOUS ACTION, ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE OPEN SOURCE SOFTWARE EVEN IF PERVASIVE OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH LOSSES OR DAMAGES ARE FORESEEABLE. THIS LIMITATION WILL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM PERVASIVE'S OR ITS LICENSORS' NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION.

**2.6 Update License Terms.** Any Updates made available to You by Pervasive shall be considered part of the Software and subject to the terms and conditions of this Agreement. Additional license terms may accompany Updates. By installing, copying, or otherwise using any Update, You agree to be bound by the terms accompanying each such Update. ### 3. RESTRICTIONS

**3.1 Protection of Software.** You will take all reasonable steps to protect the Software and Documentation from unauthorized copying or use. The Software source code represents and embodies trade secrets of Pervasive or its licensors. The source code and embodied trade secrets are not licensed to You and any modification or addition thereto, or deletion therefrom is strictly prohibited. You will not disassemble, decompile, or otherwise reverse engineer the Software, except and only to the extent that applicable law expressly permits such actions, despite this limitation.

**3.2 Use with Other Software Applications.** If You received this Software bundled with or embedded with any other software application (e.g., from an Authorized Reseller or OEM of Pervasive), You may only use the Software with such software application.

**3.3 No Rental; No Commercial Hosting for Concurrent User Licenses and Intranet Licenses; Other Limitations.** Except as expressly authorized in this Agreement, You will not use, rent, lease, sublicense, distribute, transfer, copy, reproduce, display, modify, create derivative works of, time share or dispose of the Software or Documentation or any part thereof. You may use the Software and Documentation solely in accordance with the Documentation. With respect to Concurrent User Licenses and Intranet Licenses, you may use the Software solely for your internal business purposes. Except with the express written consent of Pervasive, or as expressly permitted in Section 2 with respect to Internet Licenses, You may not use the Software to host applications for third parties or to provide service bureau, time-sharing or other computer services to third parties.

**4. ACTIVATION; VALIDATION.** In order to use the Software, You will need to activate the Software. Activation associates the use of the Software with a specific Network Server. During activation, the Software will send information about the Software and the Network Server to Pervasive, and Pervasive will then validate the Software. Validation verifies that the Software has been activated and is properly licensed as either a Concurrent User License, Internet License, or an Intranet License. The information sent to Pervasive includes, but is not limited to, (i) information derived from the hardware configuration of the Network Server, such as Hard Drive serial number, NIC card MAC address, BIOS firmware, CPU type and OS type, and (ii) information about existing or past Pervasive installations and items of a similar nature. By using the Software and Documentation, You consent to the transmission of this information during any validation check. Validation may also occur during installation, un-installation, updates and license management activities. For more information about what is sent during a validation check, see <http://www.pervasive.com/activation>. Before You activate, You have the right to use the version of the Software installed during the installation process, however Your right to use the Software without activation and validation after a certain amount of time is governed by a limiting device in the Software, unless it is activated. This is to prevent its unlicensed use. You will not be able to continue using the Software after that time if You do not activate and validate it. If the Network Server is connected to the Internet, the Software may automatically connect to Pervasive for activation. You can also activate the Software manually by Internet or telephone. In the event You transfer the Software to a different

Network Server, during the transfer itself or during a subsequent upgrade process You may be required to re-activate and/or validate your Software. This may be done by contacting Pervasive at the support email address or telephone number located at <http://www.pervasive.com/company/contact/>.

**5. OWNERSHIP.** Ownership of all right, title, and interest in and to the Software and Documentation (including any copies) and any and all intellectual property rights embodied therein will be vested solely in Pervasive and its licensors. Copies are provided to You only to allow You to exercise Your rights under this Agreement. The Software is being licensed, not sold. Pervasive and its licensors reserve all rights not expressly granted to You. Subject to the rights expressly granted to You herein, nothing in the Agreement shall be construed directly or indirectly to assign or grant to You any right, title or interest in or to trademarks, copyrights or trade secrets of Pervasive or its licensors.

**6. TRADEMARKS.** You will not remove or in any manner alter or obscure the copyright, trademark, and other proprietary rights notices of Pervasive and its licensors appearing on the Software or documentation. You will have no right to register or seek to register any of Pervasive's or its licensors' trademarks, service marks, or trade names, or add any other notices or markings to the Software or Documentation.

**7. ASSIGNMENT.** You may not assign or otherwise transfer in whole or in part or in any manner any rights, obligations, or any interest in or under this Agreement without Pervasive's prior written consent and any attempted assignment will be void. A merger or other acquisition by a third party will be treated as an assignment. Pervasive may at any time and without Your consent assign all or a portion of its rights and duties under this Agreement.

**8. TERM AND TERMINATION.** This Agreement is effective from the date You download or install the Software and will remain in force until terminated. The term of this Agreement with respect to Trial Software is governed by the key delivered with the Trial Software at the time of download. However, in no event will the term of the license for each activation of the Software be more than seven (7) days from the date of installation without express written approval from Pervasive. You may terminate this Agreement at any time by destroying the Documentation and the Software together with all copies and adaptations thereof. This Agreement will terminate immediately without notice from Pervasive if You fail to comply with any terms of this Agreement. You will destroy all copies of the Software and Documentation, and upon request, certify such destruction to Pervasive upon termination of this Agreement. Sections 2.3 – 2.5, 3, 5, 7, 8, 9.2, 9.3, 10, and 11 of this Agreement, and the terms of Section 12 and any Supplemental License Terms below, as applicable, will survive any termination hereof.

## **9. LIMITED WARRANTY**

**9.1 Magnetic Media and Documentation.** Pervasive warrants that if the magnetic media or Documentation are in a damaged or physically defective condition at the time that the Software is delivered to You and if they are returned to Pervasive within ten (10) days of delivery, then Pervasive will provide You with replacements at no charge.

**9.2 DISCLAIMER OF WARRANTY.** PERVASIVE LICENSES THE SOFTWARE TO YOU UNDER THIS AGREEMENT SOLELY ON AN "AS IS" BASIS. EXCEPT AS EXPRESSLY PROVIDED IN SECTION 9.1, PERVASIVE MAKES NO REPRESENTATIONS, CONDITIONS OR WARRANTIES WHATSOEVER, EITHER EXPRESS OR IMPLIED, REGARDING THE SOFTWARE AND DOCUMENTATION; PERVASIVE EXPRESSLY STATES AND YOU ACKNOWLEDGE THAT PERVASIVE DOES NOT MAKE ANY REPRESENTATIONS, CONDITIONS OR WARRANTIES, INCLUDING, FOR EXAMPLE, WITH RESPECT TO MERCHANTABILITY, TITLE, NONINFRINGEMENT, FITNESS FOR ANY PARTICULAR PURPOSE, OR ARISING FROM COURSE OF DEALING OR USAGE OF TRADE, AMONG OTHERS.

**9.3 High Risk Activities.** The Software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments regarding fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk

Activities"). Pervasive and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

## 10. LIMITATION OF LIABILITY

**10.1 PERVASIVE'S AGGREGATE LIABILITY ARISING FROM OR RELATED TO THIS AGREEMENT OR THE SOFTWARE OR DOCUMENTATION IS LIMITED TO THE TOTAL OF ALL PAYMENTS MADE BY OR FOR YOU FOR THE SOFTWARE UNDER THIS AGREEMENT.**

THIS LIMITATION WILL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM PERVASIVE'S OR ITS LICENSORS' NEGLIGENCE TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION.

**11.2 Complete Understanding.** This Agreement sets forth the entire understanding and agreement between You and Pervasive with respect to the subject matter hereof and may be amended only in writing signed by both parties. NO VENDOR, DISTRIBUTOR, DEALER, RETAILER, SALES PERSON OR OTHER PERSON IS AUTHORIZED TO MODIFY THIS AGREEMENT OR TO MAKE ANY WARRANTY, REPRESENTATION OR PROMISE WHICH IS DIFFERENT THAN, OR IN ADDITION TO, THIS AGREEMENT ABOUT THE SOFTWARE.

**11.3 Waiver.** No waiver of any right under this Agreement will be effective unless in writing, signed by a duly authorized representative of Pervasive. **11.4 Audit.** You are responsible for ensuring that the number of Concurrent Users accessing the Software does not exceed the User Count, and You will maintain sufficient records, logs and other materials ("Records") sufficient to document that Your use of the Software is in accordance with the terms of this Agreement for a minimum of five years after You cease to use the Software. Pervasive has the right to audit such Records upon reasonable notice.

Pervasive hereby disclaims on behalf of all authors of unixODBC all warranties and conditions, express and implied, including warranties or conditions of title and non-infringement, and implied warranties or conditions of merchantability and fitness for a particular purpose;  
In addition, with respect to the unixODBC libraries distributed hereunder, for a period of three (3) years from your receipt of the Pervasive software, you may obtain from Pervasive, for a charge no more than the cost of performing this distribution, the complete corresponding machine-readable source code for the library including whatever changes were used in the work; and, if the work is an executable linked with the Library, with the complete machine-readable "work that uses the Library", as object code code, so that you can modify the library and then relink to produce a modified executable containing the modified library. (It is understood that if you change the contents of definitions files in the Library you will not necessarily be able to recompile the application to use the modified definitions.) In the alternative, Pervasive may use a suitable shared library mechanism for

linking with the Library, in which case you are not entitled to the foregoing materials. A suitable mechanism is one that (1) uses at run time a copy of the library already present on the user's computer system, rather than copying library functions into the executable, and (2) will operate properly with a modified version of the library, if you install one, as long as the modified version is interface-compatible with the version that the work was made with.

## TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

### 1. Definitions.

“License” shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

“Licensor” shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

“Legal Entity” shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, “control” means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

“You” (or “Your”) shall mean an individual or Legal Entity exercising permissions granted by this License.

“Source” form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

“Object” form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

“Work” shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

“Derivative Works” shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

“Contribution” shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, “submitted” means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as “Not a Contribution.”

“Contributor” shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

**2. Grant of Copyright License.** Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

**3. Grant of Patent License.** Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

**4. Redistribution.** You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

- (a) You must give any other recipients of the Work or Derivative Works a copy of this License; and
- (b) You must cause any modified files to carry prominent notices stating that You changed the files; and
- (c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and
- (d) If the Work includes a “NOTICE” text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

**5. Submission of Contributions.** Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

**6. Trademarks.** This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

**7. Disclaimer of Warranty.** Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an “AS IS” BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

**8. Limitation of Liability.** In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in

writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

**9. Accepting Warranty or Additional Liability.** While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.
